

U.S. DISTRICT COURT
DISTRICT OF N.H.
FILED

Dear Clerk Starr

2012 JAN 26 P 12: 12

January 25, 2012

Your office filed, marked, and recorded a Bail Petition. I filed to the Court in August of 2011, and in November 09, 2011. I was sent a copy of the Docket entry in my case by Joe LaPlante the Judge on this Case, and my "Bail Petition" was not recorded even though your office marked it.

Clerk Starr, you went to Law School and anything filed, marked or Recorded should of been in the Docket entry. Could you Please tell me why my Petition for Bail was not recorded in the Docket entry?

Do you really think I would not submit a Petition for Bail with the Clerk's office well I did, and I have been held for the past 17 months when I go back to Court on March 27, 2012 at 9^{AM}.

What we know in this failure to update is I am very much Competent to stand trial in this matter, but when I am going up against a Criminal Judge, Prosecutor, and a defense attorney's Paul Garritty, and Jeffery Levin, it is extremely hard to win, when you do

Page Two

I have a Conspiracy against an innocent very
innocent defendant Brian P. Mahoney date
of birth May 23, 1959.

This is what we know, Joe LaPlante
appointed me attorney Paul Garritty, knowing
that Prosecutor Joe LaPlante and attorney Garritty
had and completed a Conspiracy plot against
Bruce Belton, cited case Bruce Belton v. United
States, DNH 113, (July 15, 2010) that did very
much resulted in Bruce Belton receiving a
23 year sentence, when in 2004, the prosecutor
in that case was Joe LaPlante and Mr. Belton's
attorney was indeed Paul Garritty was offered
a (5) five year Pre-indictment Plea offer by
Joe LaPlante in 2004.

Now! (7) seven years later Judge LaPlante
appoint me Paul Garritty, knowing seven years
earlier, that Judge LaPlante was very much
involved in a Conspiracy plot against Bruce
Belton that resulted in Bruce Belton receiving
23 years in Federal Prison instead of five(5).

Clerk Stan, its your duty to report this
Criminal intent by Judge LaPlante to the Chief
Justice of the Federal Court Steven McClellan
so he can be assigned a different Judge.

Page Three

When a defendant complains and files a Motion to Recuse with an affidavit its your duty to inform the Chief Justice and assign me a different Judge.

Remember Clerk Starr, I have been held for 15 months now, and my Bail Petition was filed, marked and Recorded by your office, and it was not registered in my Docket entry that Joe LaPlante sent to me in November.

Clerk Starr, Please do your duty and turn in Judge Joe LaPlante for Criminal misconduct in the United States v. Bruce Maloy its what makes our Criminal Justice system works, we can't afford judges who are very much dishonest and who go after innocent they innocent defendant's like myself, and there is a cited Case Law on Paul Garret, and Joe LaPlante.

Judge LaPlante is abusing his own authority by continuing to hold me on a "NO BAIL Status" for failure to update, when your office is releasing men who go on the internet and their computers to watch children as young as 5 years old. Love SFX

Page Four

Well Joe LaPlante continues to abuse his judgeship by telling your office to get rid of my Petition of Bail that your office did record, file and marked my Petition in August of 2011 is a Criminal offense Mr. Star.

I would hope and Pray the you would turn in Joe LaPlante, there is no room for a Judge who is a Criminal, and in March 27, 2012 with my family here, again I will continue to fight in having Joe LaPlante removed from my case on that date, and I will do everything in my power to remove Joe LaPlante from ever hearing another case.

Clark Star, I will be filing another Petition for Bail with the First Circuit Court of Appeals in Massachusetts, something has to be done against your office and Judge Joe LaPlante for not only missing my Petition of Bail, but never recording the Bail Petition on the Docket entry sheet.

Do you really think I would not file a Petition of Bail in my case, that not only am I innocent defendant, but I am being held, on a NO BAIL Status is a Criminal offense.

Page Five

Mr. Star, do you really think I am incompetent to stand trial, when I write to you about how a Federal Judge is very much abusing his own Authority in a Court of Law, and its a fact that he also gives favors to Attorney Mark Saxe in his Court, so the Judge can receive kickbacks.

We have to report Judge Joe LaPlante at once, I know what you going to state its not at all true, Well, look up the cited Case Law of Bruce Belton v, United States, DNH113, July 15, 2010, and you will see that Joe LaPlante did in fact offer Bruce Belton; attorney Paul Garretty a five year offer, that Paul Garretty never ever informed Bruce Belton of the Plea offer.

You going to say how does this involve Judge Joe LaPlante, well Joe LaPlante (7) seven years later appoints me Bruce E. Mahney defendant, Attorney Paul Garretty, knowing full well that the Judge Joe LaPlante was involved in a conspiracy plot not only against Bruce Belton, also against the other Bruce E. Mahney his date of Birth 7-30-1960, in which Prosecutor La Plante was the Prosecutor in June 29, 2006, which resulted in 240 month sentence in Prison.

Page Six

Attorney Mark Siti was hired by Brian Maloney's family, because his court appointed attorney in his drug Murder case was a one Jeffery Lewis, the same sell out attorney who was appointed on February 04, 2011, What you did not know Clark Starr, was the fact I was at Strafford House of Correction on June 20 2006 and I lived in the next cell over, and Brian Maloney did inform me that Attorney Lewis of the Public Defenders office on Bridge Street in Concord was setting him out and demanded a 240 month sentence that was his (Brian E. Maloney's) final offer and Judge Steven McCaffie was the Judge who sentenced him.

Attorney Mark Siti Promised his client Brian Maloney a 120 month Sentence if his father paid Attorney Siti \$20,000 dollars for his guilty Plea, which Brian Maloney did in fact Plead Guilty on June 20, 2006, and Judge Steven McCaffie gave him 240 months and Attorney Siti received the \$20,000 dollars and did not keep his promise of 120 months and Attorney Lewis stated you will receive 240 months exactly what he received, and attorney Lewis stated to me that I would receive 3 to 4 years in Prison, knowing I was innocent.

Page Seven

You may consult with attorney Levin, Sisti or Prosecutor LaPlante, but the fact of the matter, it's all true what I am accusing the Judge, Prosecutor and Defense attorney's in the Federal Court system of putting defendants in Federal Prison without Due Process of the Law. (14th Amendment to the United States Government, Federal Law Due Process).

That is what made me fire Attorney Levin, What NO one knew, but me, was the fact that Attorney Levin already did sell-out the other Brian P. Mahaney and Clerk Starr look at Brian's Mahaney's Docket entry sheet, and you will see the truth and facts, that Brian Mahaney family knew attorney Sisti, because it was the only way to replace sell out attorney Jeffrey Levin, and when I was appointed Jeffrey Levin, I knew all about him (5) five years before and when I fired Levin, Judge LaPlante makes his first mistake by appointing me Paul Baraty, whom (7) years before Prosecutor La Plante was Not only in a Conspiracy Plot against Bruce Belton, but in the Brian Mahaney case as well, I guess Joe La Plante likes the Name Brian P. Mahaney to bad & know the LAW!! Sincerely, Ryder

I Thank you for your assistance!?

I know I put myself in danger, but I am all about Justice and fair trials, and there is NO room in the Federal Court for Judges who abuse their Authority. Thanks Mr. Stan.

(Footnote) Clerk Stan - this is my final appeal to you, it's Your Duty to turn in Joe La Plante before he puts another innocent defendant in Federal Prison yet again. All the facts are in your office. the Docket entry sheet will tell you the truth. I have been incarcerated 17 months almost 18 months when I have to face this Criminal Judge La Plante once again. If I didn't know the Law I would be looking at time, but I do, and I am not a sex offender at all, You can't go back 30 years, lets get Judge La Plante off my case at once Please!
